## ■ welcome

The Vinyl Corporation (TVC) has been a major force within the vinyl graphics and supply industry for the past 25 years, originating in the motor trade, hence its field of expertise being car striping, graphics, window tinting and car sales promotional materials.

Over the past TEN years TVC has undergone a considerable maturing process, now having good strong sales and support staff working as a team to deliver your requirements on time, every time. TVC is going from strength to strength encouraging and building strong partnerships with customers allowing them to source innovative new products from around the world.

Danny March, the managing director of TVC, takes his company's commitment to quality and service personally, so should you have any questions, enquiries or even if you just need some advice, feel free to call him anytime on 07860 451090.

## ■ delivery

Next day delivery is standard. With orders of over £150 net carriage free to mainland UK addresses. Orders below this will incur an £8.00 charge.

Timed, Saturday and sameday deliveries are also available - prices on request.

The only exception to this are orders containing magnetic sheeting, due to its weight orders containing 5m of magnetic will automatically be charged regardless of total order value.

Customers using our carriers COD collection service will be subject to a handling charge of £3.50 on each order.

## ■ payment

(Cash, cheque)\* & credit/debit cards...     

...alternatively why not open a 30 day account?

We operate a 30 day credit account system. Customers wishing to use this facility can find an application form at the back of this brochure.

Please note: Delivery must be to the address that the credit card is registered to.

## ■ core charge:

Customers who specify vinyls must be supplied on cores, will be subject to a charge of £2.00 per core on widths of 620 to 1260, or £1.00 per core 610 or below. Please note this will only apply to split metre orders of below 25m.

DISCLAIMERS - The colours in this brochure are as accurate as printing will allow. Any information contained within this brochure is present as a sales aid and can be altered without prior notice and does not form part of any terms of a contract.

The statements in this brochure are based upon our knowledge and practical experience at the time of printing. This data is intended only as a source of information and is given without guarantee and does not constitute a warranty. Due to the wide variety of possible uses and applications, customers should independently determine the suitability of the material for their specific purpose, prior to use.

Attention: Surfaces to which any of the materials in this brochure are to be applied must be thoroughly cleaned from dust, grease or any contamination which could affect the adhesion of the material. Freshly lacquered or painted surfaces should be allowed to dry for at least three weeks and to completely cure respectively. The compatibility of selected lacquers and paints should be tested by the user, prior to application of the material.

## terms & conditions

### introduction

Unless otherwise agreed in writing by the Seller, these terms and conditions of sale shall override any terms and conditions stipulated, incorporated or referred to by the Buyer in his negotiations or order for goods.

### interpretation

The "Buyer" means the person who accepts a quotation from the Seller for the sale of goods or whose order for goods is accepted by the Seller.

The "Seller" means the Vinyl Corporation (Decalkraft Signs) Ltd.

The "Goods" means the Goods which the Seller is to supply in accordance with these terms and conditions.

The "Contract" means the Contract for the purchase and sale of goods.

### delivery

All goods are dispatched on a next day delivery service provided by a parcel carrier of the Sellers choice. Failure on the part of the Sellers to deliver within the time stated in the Contract shall not entitle the Buyer to any claim upon the Sellers by such failure.

The Sellers cannot accept any cancellation if the goods are in course of conversion or transit.

### warranties and liabilities

Any claim by the Buyer that the goods are not in accordance to the specification is limited to the replacement of the goods supplied.

The Sellers cannot guarantee the suitability of the Goods for any purpose other than specified. The Sellers decision on all matters relating to settlement of claims shall be final and he, the Seller, may, at his option either replace any goods which he finds faulty or credit a reasonable sum not exceeding in any event the invoice value of the faulty goods.

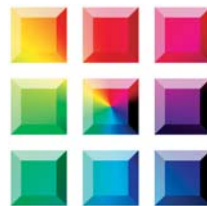

The Sellers will not be held liable for any consequential loss or damage incurred by the Buyer arising from the supply of faulty Goods.

### ownership

The Seller shall retain full right of ownership of all goods until payment is received in full. If the Buyer makes default in any payment or becomes insolvent or as a debtor to the operation of the bankruptcy law, the Seller may at his option, without notice to the Buyer withhold or cancel further deliveries and retake possession of any goods of which remains with the Seller.

### payment

The Sellers terms are strictly COD unless authorised in writing, then the Sellers terms are strictly 30 days net and payable the month following delivery. VAT is charged at the current rate on all Goods supplied in the United Kingdom.
